## **Some Expectations of Members**

- Get Involved both indoors and outdoors.
- Climb at weekly indoor club sessions (Mon & Wed evenings @ AWC).
- Seek to climb with a variety of other people within the club (i.e not just the same partner all the time).
- Engage within the club's WhatsApp with climbing related content.
- Partake in club training events (subsidised costs) and engage with progression pathways made available.
- Share your climbing experience with less experienced climbers
- Take part and help out at outdoor club events.
- Support the club and its voluntary committee members by contributing feedback, taking part in occasional surveys for the club's development, proposing ideas/initiatives, keeping informed of the club's initiatives, and attending the AGM.

*While the Cork Climbing Club's main focus is obviously climbing, it also acts as an important social outlet for many of its members both new and older. Friendliness, peer support, and active participation have been core values within the club since its inception. As such, we always hope that members will act with consideration and kindness towards all others, acknowledging & greeting other members when at the wall, encouraging novices, and sharing experience and knowledge.*
